RESOLUTION NO. 2022-05 Series of 2022

RESOLUTION APPROVING THE BJMPMBAI 2022 ANNUAL MEDICAL AND DIAGNOSTIC EXAMINATION BENEFITS TO MEMBERS

WHEREAS, true to its mission of providing quality mutual services to its members through Health Care Programs, the BJMPMBAI vigorously pursued the Annual Medical and Diagnostic Examination (AMDE) not only for active uniformed and non-uniformed personnel of BJMP but as well as for Retirees and Associate members;

WHEREAS, on its third year of supporting the BJMP, the Annual Medical and Diagnostic Examination will be conducted on Regional basis wherein the examination will be implemented by Regional Laboratory Partners (RLP) that possessed the permit/licenses issued by the Department of Health and selected by Regional Directors, unlike in 2020 and 2021 when the Association contracted a single laboratory clinic that conducted the AMDE nationwide;

WHEREAS, members that still prefer the services of BT Laboratories will be allowed to undergo the examination there provided that all conditions as set forth in this Resolution and Implementing Rules/Guidelines issued by Social Services Committee as approved by the Board shall be observed;

WHEREAS, for 2022 AMDE, the package cost will be Two Thousand Pesos (P2,000.00) per member and whatever excess in the amount as charge by the RLP will be shouldered by the member but in case the fee charge by a laboratory is less than P2,000, the actual price shall prevail;

WHEREAS, the Association through its authorized representative will enter into MOA with selected Regional Laboratory Partners and the BJMP Regional Directors prior to the implementation of the AMDE;

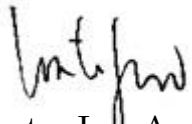

WHEREAS, Retirees and Associate members who preferred not to undergo AMDE, will be allowed a refund of the medicine purchased as medical assistance by the Association but not to exceed the Two Thousand Pesos (P2,000.00) as mandatory cost to all members.

WHEREFORE, based on the foregoing, on motion by Director Antonio O Gerente, seconded by Director Doris R Dorigo, the Board of Directors **RESOLVED**, as it hereby **RESOLVED**, to regionalize the 2022 BJMPMBAI Annual Medical and Diagnostic Examination with BJMP Regional Directors selecting their Regional Laboratory Partners with permits/licenses issued by DOH that will conduct the examination in their area of responsibility. **RESOLVED FURTHER**, that all conditions as set forth in the foregoing "WHEREAS" including the Implementing Guidelines issued by Social Services Committee shall be strictly observed. **RESOLVED FINALLY**, that the funding for this activity shall be taken from free and unassigned surplus of the Association.
